

RAIN GENERAL AND BENEFITS CROPS

There are persons who argue that water seeps out of Lake Okechobee and through the rim of the lake and flows to land back of the ridge and gives moisture to land miles away from the lake. If that is so, why does the lake stay above elevation 15 feet when no water is coming into it? Water can not seep out without tending to lower the lake—and the lake doesn't lower.

What I have said about the southern states can be applied to all sections of the country.

The handling of all perishable foodstuffs through the precooling and refrigerating plant shall be based upon a flat charge per package. In the event that the capacity of the plant will warrant the accepting of vegetables grown by non-members of the Associated Growers of Florida the rate per package will be twice that to members.

EDITORIAL
By Otis Vinson.
Mr. Langford, principal of Pahokee school, at the beginning of school said, "Now is the time to begin study for mid-term examinations." A few pupils did take the advice, but many have just started cramming for examinations next week.

The pupils that did take the advice will be rewarded by examples and in other ways that will help in future life.

A person cannot learn four months' work in one week. If he does he would not be able to go to school, two weeks a year. This brings out the old proverb, "What is worth doing at all is worth doing well." Our studies are worth learning at all we should learn them well.

ATHLETIC NEWS
By Leon Spooner.
The basketball team, both girls and boys, motored over to Stuart last Friday night to play a basketball game. They both were defeated as the white blow at 29 to 20.

The girls' score was 29 to 20. The boys' score was 20 to 18. The girls' team played the game. It was the second game that we have played since we won the first with a score of 20 to 18. The only thing we hope is that we will be in better shape next time.

The most interesting game of the season is going to be played Friday night, Jan. 17, 1930. The Pahokee team will be going to meet the Okechobee team at the Pahokee auditorium. The game starts at 7:30 o'clock. We are expecting a big crowd as the game promises to be exciting.

The latest addition to the equipment of the athletic department of the Pahokee school is our new tennis court. It may be used for basketball court and other purposes. The contract has already been made out but not signed. Mr. Bess is going to construct it. The size will be 36 by 60 feet. It will sign the contract and start making on it in the next four or five days. The money was raised by five individual subscriptions. The following are the names of the contributors: Park Wilder \$50, Uteia Jones \$50, Ruth Simmons \$50, Hazel Elliott \$50, Catherine Gray \$50, Marie Elliott \$50, Woodrow Crawford \$25, John Padgett \$50, Ralph Maxwell \$50, Lewis Friend \$50, Jack Gray \$50, Otis Vinson \$50, William Arant \$50, Louis Gold \$50, Edgar Thompson \$50, Harvey Arlington \$50, Roy Lowell \$50, Dan Padgett \$50, J. E. Miller \$25, Herbert Spooner \$50, DeLeon Parker \$50, Ina Mock \$25, Beane Allen \$50, Wilma Girmes \$25, Imogene Sanders \$50.

We certainly do appreciate Mr. Gold giving \$50 and Mr. Bess Harrison \$50. The total is \$1375. This is just the list of the eight and tenth grades who have contributed. We will put the grander school paper names who have contributed in next week's paper. All cooperation from persons of the school is appreciated by the faculty and the students. Any other contribution toward this fund will be appreciated for the court will be a benefit to the town as well as to the school.

PRIMARY ENTERTAINMENT

The primary grades of the Pahokee school will present a musical entertainment Friday evening, January 24, at 7:30 p. m. at the school auditorium. A large audience is expected and those in charge promise to present a pleasing entertainment. Receipts will be used for the work.

Services on Lord's Day at the First Baptist Church Sunday school at 9:45. All parents and children are invited to attend. We have classes for all. Preaching at 11 o'clock. Theme, Signs of the Times or Will This Millennium? There is a very timely subject as "trial preparation is begun made in the city of London for the peace conference on January 21."

B. Y. P. U. at 6:30. We will look for all our young people. At 7:30 we will have an illustrated sermon in pictures, Sanson Binding, Binding and Grinding. Come early and get your seats. The building committee will meet the pastor just after the morning service. Prayer meeting on Wednesday.
